PROFESSIONAL EXPERIENCE

Authentic Sales Mastery

Ranchi, India

Associate Data Scientist

06/2023 – 07/2024

- Designed and deployed automated Power BI dashboards to track key business metrics, improving reporting efficiency by 30%.
- Built SQL-based data pipelines to integrate multi-source marketing and sales data, ensuring data integrity and accuracy.
- Applied machine learning segmentation models to identify high-value customers, leading to a 20% churn reduction.
- Conducted root-cause analysis of low-performing campaigns and delivered insights that improved conversions by 15%.
- Collaborated cross-functionally to align analytical projects with business goals and deliver measurable impact.

SMARTAIL PVT. LTD.

Chennai, India

Data Science and AI Product and Support Intern

01/2023 – 04/2023

- Developed an OpenCV automation framework that improved grading efficiency by 40%, reducing manual data errors.
- Collaborated with BI engineers in deploying AI-driven reporting modules, improving analytics accuracy and responsiveness.
- Created a CNN-based model for handwritten digit recognition, enhancing accuracy in OMR sheet processing workflows.

XORIENT SOLUTION PVT. LTD.

Pune, India

Machine Learning Intern

07/2022 – 08/2022

- Designed a Customer Lifetime Value (CLV) model integrating SQL and Python analytics pipelines.
- Extracted, cleaned, and analyzed customer data from relational databases to deliver insights for retention strategy.
- Presented BI reports summarizing findings for senior analysts to support data-driven decisions.

LEADERSHIP ACTIVITIES

ENTREPRENEURSHIP

MMD Anaalytics India Pvt. Ltd. – Co-Founder (09/2024 - 08/2025)

Ranchi, India

- Spearheaded and implemented data-driven decision initiatives for a financial trading firm, integrating analytics into investment strategy and risk management.
- Built predictive models for stock trend forecasting, improving investment decision accuracy and portfolio performance.
- Demonstrated ownership and bias for action by leading a cross-functional team to deploy automated dashboards for market monitoring.

CULTURAL

Cultural Secretary – D.A.V. Public School, Hehal

Ranchi, India

- Organized and executed large-scale cultural events, managing 500+ participants and optimizing resource allocation.
- Fostered teamwork and collaboration, reflecting Amazon's "Earn Trust" and "Hire and Develop the Best" principles.
- Awarded Best Cultural Coordinator (2015–16) for exceptional leadership and event impact.
